

The **Quittie Creek Nature Park Committee** of the Friends of Old Annville seeks to raise funds for the purchase of 2.64 acres of stream-side land adjacent to the existing Quittie Creek Nature Park. The new land, like the existing Quittie Creek Nature Park land, will be owned by Annville Township. This purchase would increase the size of the park to 36+ acres and would add approximately 0.35 miles of property right along the Quittapahilla Creek.
